Responsibilities Include:

- Leading canning days to package the highest quality product for our customers
- Operate and maintain the canning machine
- Working as part of a team on our canning line
- Brewery Equipment maintenance
- Cleaning & Filling kegs
- Warehouse stocking and organization
- General brewery cleaning and sanitation
- Other production related activities

We are looking for a team member with the following skills / attributes:

- Technical / Mechanical background
- Experience with machinery and troubleshooting problems
- Product knowledge is an asset
- Brewing Industry experience is an asset
- Forklift experience is an asset (Training will be provided)
- Experience driving bigger vehicles (7000lb commercial box truck) is an asset
- Must be able to lift kegs (30lbs – 150lbs)
- Must be dependable, reliable and punctual
- Must have a positive, strong work ethic and be able to work alone and in a team environment
- Strong problem-solving skills and pays close attention to detail
- Team oriented
- Strong organization skills
- Ability to work in a clean, sterile, and efficient manner
- Ability to be flexible with schedule. Shifts can range 6 - 12 hours.

The Perks:

- Competitive wages
- Benefits including Health/Dental Plan and Healthy Living Stipend
- Paid Sick days
- Industry specific training opportunities
- All relevant PPE will be provided
- Employee discount
- Working with an awesome team in a fun environment
