The **Full-Time Production Brewer** is a key component of the production of Breton Brewing. The position is responsible for ensuring that all beer leaving the facility is of the highest quality and that the brewery is kept clean, functional, and always fulfills all Breton Brewing Co. standards. This is a permanent and full-time position.

Responsibilities Include:

- Following Breton Brewing Co. recipes from start to finish
- Lab testing on fermentation samples
- Cellaring (dry hopping, tank management, yeast harvesting)
- Cleaning fermentation vessels, brewing equipment, and the Brewery
- Beer transfers and Centrifuging
- Inventory management using Ekos
- Following all relevant SOPs to ensure high product quality and efficiency

We are looking for a team member with the following skills / attributes:

- Any relevant brewing background
- Experience with machinery and troubleshooting problems
- Product knowledge is an asset
- Forklift experience is an asset (Training will be provided)
- Must be able to lift kegs (30lbs – 150lbs)
- Must be dependable, reliable and punctual
- Must have a positive, strong work ethic and be able to work alone and in a team environment
- Strong problem-solving skills and pays close attention to detail
- Team oriented
- Strong organization skills
- Ability to work in a clean, sterile, and efficient manner
- Experience with inventory management
- Ability to multitask
- Time management skills

The Perks:

- Competitive wages
- Benefits including Health/Dental Plan and Healthy Living Stipend
- Paid Sick days
- Industry specific training opportunities
- All required PPE will be provided
- Employee discount
- Working with an awesome team in a fun environment!

How to apply
